

**FY06 Air Force Reserve Major JAG & Chaplain**  
**Other-than-Selected Reserve Mandatory Promotion Boards**  
**13 – 16 June 2005**  
**FACT SHEET**

This fact sheet provides data that indicates competitiveness for selection at this board. Due to the quota nature of the promotion board process driven by the needs of the Air Force, the data is different from year to year. Therefore, this data may not be a reliable predictor of selection at future boards. The fact sheets are organized by competitive category. Selected Reserve (SelRes) officers are considered separately from those not in the SelRes (Cat E and S7).

The first set of data presented indicates currency of the Officer Performance Report (OPR). The first of this set is latest OPRs with close-out dates within 1 year of the convening date of the board. The next is latest OPRs closing out between 12 and 18 months of the board convening date. The last is OPRs that close-out between 18 and 24 months of the board.

The next set of data is participation in terms of Satisfactory R/R Years. A satisfactory year, or a good year, is indicated by 50+ participation points earned in the last reported year. The next category is good years for both of the last two reported years. Likewise, the next category is good years for the last three reported years.

The next set is Developmental Education (DE) completed and recorded by the date the Officer Selection Briefs for the board are printed (the week before the board). Basic Developmental Education (IDE) is the requisite level for the majors board.

Next we present Advanced Degree information. For JAG, Chaplain, Medical Corps and Dental Corps we break down the professional degrees.

The next group is highest decoration in the record: Meritorious Service Medal (MSM) or higher, Air Medal, Aerial Achievement Medal, Air Force Commendation Medal (AFCM), Air Force Achievement Medal (AFAM), and no decorations received at least equivalent to AFAM or higher. Equivalent joint decorations and equivalent decorations from other services are also counted here.

The next group is Commander information. The two commander categories are Sitting Commander and Commander Experience as determined by AFSC information (duty, primary, secondary and tertiary information).

The last group is Duty AFSC information. The categories are 4-level (staff), 3-level (qualified / aircraft commander), 2-level (intermediate / qualified pilot), 1-level (entry / student) and 0-level (special duty / reporting identifiers). These categories exclude sitting commander numbers.

Percentages in the “Considered” column refer to those considered by the promotion board while percentages in the “Selected” column refer to those selected for promotion by the board. For example, in the Overall group, of the 32 JAG captains considered by the board 44% (14) completed BDE while all of the JAG officers selected for promotion by the board completed BDE.

**DO NOT ASSUME that “filling the squares” in the tables will guarantee a promotion!!!**  
The members of the promotion selection board use the “Whole Person Concept” and consider the

entire record of each individual. Not all those who completed BDE were selected, a few were selected without any DE completed at all.
